

2023 Summer Learning Calendar

Parents,

Here is a summer calendar for your child to practice some of the skills they learned throughout kindergarten. The activities should be quick and simple. Put your answers/work on paper and return it with these calendars. I want your child to still enjoy their summer break, but still retain information learned this past year. Thanks for being involved and helping your child succeed!

First Grade Teachers

JUNE

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
