Play: K-8

We have worked diligently this last year and a half to mitigate the effects of COVID. We had the option of not having any Christmas activities with families this year but are excited to be able to do a modified version this year. We trust that the adults will follow the protocols put in place for the evening since we are seeing COVID numbers increasing and health and safety are utmost in all we do.

Parents will be greeted at the church door and shown where their seats are situated in the church.

We ask that you stay seated during the program. Siblings are only allowed if they are using one of the 2 tickets. That includes babies. We do not want to have to turn anyone away at the doors.

Masks must be worn in church at all times.

The program will be streamed through Facebook live. Link to go out tomorrow.

Children in Grades 1-7 should come in dress clothes, no jeans or sweats.
