Welcome back to a new school year. We have had a great start to the year!

A few reminders:

The school doors open at 7:40 this year for Grades K-8. Students in these grades are marked late after 8:00.

Pre-k 3 and 4 arrive at the back door between 8:00- 8:30.

Students in Baltimore City schools are required to wear masks indoors and Saint Casimir requires masks. Parental choice is not an option .

Middle school families , please do not block intersections and corners at dismissal. Wait until the students are lined up with their class and do not take your child out of the dismissal line until you touch base with the teacher. This is for their safety.

Children registered in after care should bring home a letter regarding after school care.
