### **Basketball News from Coach Chuck:**

Our 2<sup>nd</sup> weekend of the new season brought us a **WIN** by the 4<sup>th</sup> grade boys' team in their season opener. In addition, to make it even sweeter, they won in OVERTIME 11 to 8. Our team was definitely overmatched in terms of size but they played hard for the entire game and never gave up. In OT, Jack McCartney (7 points) hit

both shots of a Technical Foul and Emerson Lawrence (four pts) banked a layup, was fouled, made the "and one" to seal the BIG OT VICTORY! More exciting than yesterday's Ravens win!

Our 6<sup>th</sup> grade girls team lost a close one 14 to 11 in a very hard fought, back and forth game which saw scoring by Zoey Reilly (3) and buckets by Paige Purtell, Emilia Smith, Korynn Holmes and Zoe Naasz (their first points of the season). In their first game of the season, the 5<sup>th</sup> grade girls lost but saw first time player, Malajza Boone, score her first basket. In their first game of the season, our 7<sup>th</sup> grade boys fought hard for two halves while scoring 21 pts in a losing effort. Jack McCartney led all scorers with 12 pts, followed by Nick Purtell (7) including a 3 pointer and Aedan Joyce (2). ,

Our five/6<sup>th</sup> grade boys in a losing effort, cut the point differential by 50% compared to the previous game. This team has no quit and works hard from start to finish in this extremely tough league. Jack Bailey scored the lone bucket for the Anchors.
