BASKETBALL UPDATE - FINAL WEEK

Thanks to Coach Chuck for everything that he does for our basketball program.

The St. Casimir Anchors basketball season drew to a close this past week with our final two games of the 2024 - 25 season. The 8th grade boys, playing in their last game in an Anchor uniform, provided the fireworks with a thrilling come from behind victory over the always dangerous St. Ursula team, 23 - 19. Our Anchors trailed in this one most of the game but early in the 4th quarter, trailing 19 - 8, began to chip away at the SUS lead. Showing their always tenacious defense, stole the ball multiple times and converting on the offensive end, found themselves trailing by only 3 points, 19 - 16. Our defense forced multiple turnovers and SUS was forced to foul as our Anchors, in the bonus, hit free throw after free throw along with fast break baskets, to finish with a much-deserved victory, 23 - 16. Scoring for the Blue and Gold was Quinn McCartney 16, Aedan Joyce (5) and Nick Purtell (2). This team provided much excitement this season finishing with a winning record and topping it off with this amazing "W".

In other action, our 7th grade boys faced a tough SMCS team coming out on the short end, in the final game of the Al Hahn Tourney. Playing with only 6 players, our Anchors played tough for 32 minutes, never giving up. Jack Bailey and Cam Stoner provided the scoring, each hitting a 3-pointer in this losing effort.

The 2024-25 CYO season saw our program continue to improve, with every team winning at least one game and two teams with a winning record (8th grade boys and 5th grade boys). I want to take this opportunity to thank all of our coaches for their hard work and commitment to our program, without YOU, our program would not be possible. St. Casimir is lucky to have you! And to the parents, your continued support is greatly appreciated. You are great fans!
