Income Surveys: Every year our school has an opportunity to participate in federal and state programs that benefit our students with a variety of materials and services. Some examples of available opportunities are:

- The Maryland Textbook & Technology Funding Program
- The Nonpublic Aging School Program
- Title I, Title II, Title III, Title IV services under the Every Child Succeeds Act
- Discounted rates on high speed internet services and infrastructure through the School and Libraries Universal Service Program or E-Rate Program

In order to determine the funding available for these programs, we must have an accurate record of family income information. To obtain this information, we are asking each family to complete our **2024-2025 Income Survey**. Ten minutes of your time, can translate to large benefits for our school community.

This year we have provided two ways for you to complete the income survey.

1. Online - <https://docs.google.com/forms/d/e/1FAIpQLSexACB04bWnvNbqQPvcg-kc5buDT11zURnepmqxyjf-dCBQ/viewform>
2. Paper -If you would like a paper copy, contact the school office.

Pizza Fridays: We are excited to welcome back Pizza Fridays. Every Friday, you may order pizza for your student or they may bring a lunch. You can order one or two slices. This order form includes all dates for which we have school this fall.
