In celebration of Earth Day, St. Casimir School will be holding a week of "trash free" lunches.

Each day at lunch, students will receive points for how Earth-friendly their lunch is.

Join us as we find ways to pack our lunches with a minimal amount of trash. Use reusable containers, eliminate plastic bags and bottles.

Let's see just how creative we can be as we celebrate and protect Mother Earth!

The event will be introduced on Earth Day- April 22. The contest will run from April 26-28. Let's do this!
